

Fall 2017

We hope you've all had a great summer and have had some time to stop and relax. It's hard to believe how fast the time has gone as we head into new changes this Fall. We are sad to say goodbye to Daun, but so excited for the opportunities God has put in her life.

Update on Daun's Ministry with Cru

It is with mixed emotions that I share with you that I will be leaving Pel & Associates at the end of August. I have enjoyed the nearly 3 years that I have been here and am blessed to have worked with all of you.

While it is sad to say good-bye, I am also excited for all that God has for me in the future. I will now be focused full time on raising support for my ministry with Cru, with the hope of joining my team on campus at UC Irvine as soon as possible. The 2017/18 school year will begin at the end of September with many new international students attending. It is the desire of my team to reach as many of these as possible, but I must be fully funded before I can report to campus.

I would love for you to continue following my journey and keep updated on what I am doing. You can visit my webpage for more information <https://give.cru.org/0777974> and I welcome you to add me on Facebook. If you would like to receive my Newsletter Updates, please email me at Daun.Slauson@bridgesinternational.com and I would be happy to arrange that.

Daun with International Students in Australia

Scam Emails

We continue to see reports in the news about emails going out seemingly from an official company, claiming that a customer needs to update their information or password. This is known as "phishing". Sometimes the email also asks for an upgrade to a program you use. This email could contain a link appearing to go to the website. **Do not respond to these emails and never click on a link.** Always go directly to the website to do an upgrade or to update your information.

Cloud Cabinet

Need a copy of a previous tax return? We have everything stored in the Cloud Cabinet, a secure web-based system that is set up for each client individually with a username and password. Call us today to get started!

We prepare taxes and more...

In addition to preparing tax returns each year, we also offer other services including payroll processing, bookkeeping, and tax planning. Please feel free to contact our office if you are interested in learning more about any of these.
